The Evenstad Reserve Chardonnay is the essence of the art of blending select barrels from our estate vineyard sites in the Dundee Hills. Our belief is that the combination of Dijon clones, Jory soil and the high elevation of our Dundee Hill estates gives us unparalleled fruit for this reserve wine.

The 2013 Evenstad Reserve Chardonnay offers a complex bouquet of aromas that develop from citrus fruit to floral characteristics. It is characterized by notes of minerality, lemon meringue and citrus zest. On the palate, the wine shows lovely purity and length, with the right balance of weight and acidity and a long and persistent finish.
