

2014

*Evenstad Reserve  
Pinot Noir*

94 Pts. *Wine Enthusiast - Editors' Choice*

The Evenstad Reserve Pinot Noir is our flagship wine, and is the defining standard by which all of our Pinot Noirs are measured. We hand select our best barrels each year to create a reserve wine that is consistent in both its superior quality, and flavor profile.

An exhibit in the mastery of blending, the 2014 Evenstad Reserve Pinot Noir evokes mystery. Provocative notes of black currant, dark cherries, and cloves fill the glass. In the mouth, it glides effortlessly across the palate exposing waves of complex flavors reminiscent of blueberry pie and compote. With velvet tannins, brooding depth and concentration, the long weighted finish lingers with great finesse and persistence.
